

Why a Groundhog Day Card?
Rather than risk getting lost in the crush
of the holiday season, we send our
sincere wishes for a great year to
WordKraft clients, suppliers and
friends on a much less cluttered
occasion, Groundhog Day.

**By February we all tire
Of campaign fluff and election mire.
If the candidates for prez fill you with dread
Then ditch them all. Vote for Phil instead!**

**If Hillary's programs make you queasy
And Barack's inexperience makes you uneasy.
And if Fred Thompson smile seems TV-cheesy,
Then here's a choice that's clean and easy.**

**Phil's got a platform with just one plank,
A simple promise you can take to the bank.
He guarantees six more weeks 'til Spring is through.
He's a groundhog! That's about all he can do.**

WordKards

They're good enough for *your* friends.
