The Fine Print:

E-mail your entries to tim@wordkraft.biz no later than February 1. Limit one prize per person, which works out great since there is only one prize. Do not operate heavy equipment while dancing your groundhog. WordKraft is totally responsible for any smirking, giggling or guffawing while groundhog dance. No groundhogs were harmed in creating this card. Groundhog dancing will not cause drowsiness. See a doctor immediately for dancing that lasts longer than four hours.
